**NOTE:** You can use a broader definition of Resentment to include - Disappointed with, Frustrated with, Felt Misunderstood by, Felt Neglected or Rejected by, Expectations unfulfilled, Jealousies, etc. Focus on "WHAT BOTHERS ME FROM THE PAST" - events that did not go your way. With People, Institutions or Situations. Do NOT dismiss an entry because today you accept or forgive them.

Be specific about The Cause. Specifically about what happened, the event, the treatment that happened to you. Do not say that the person/institution or situation "caused" you to feel angry - or any emotion. Just recall THE EVENT as it happened in the Past. Please list MULTIPLE CAUSES/EVENTS for the person, institution, situation in Column One.

THIS IS AN INVENTORY! RECORD AS MANY EVENTS AS YOU CAN!
